Sanctions the recommendation.

Regarding A it is submitted that the Dy. has been empowered to sanction original school buildings not exceeding Rs. 1000 in cost, by G.O. no. 4943-55/Edn: 32-14-10 of 21.5.15. But it seems that because the cost of the buildings for a school which is not a village school is proposed to be met from the provision for village school buildings, sanction of Govt. is necessary, and that in consultation with Financial Branch.

From

Inspector-General of Education in Mysore.

To

.....Peter George D'Souza, ESQ., B.A., B.L.,
Secretary to the Government of H. H. the Maharaja of Mysore,
.....Education and Agriculture...*Departments.*

SIR,

I have the honour to forward herewith copy of letter No.464 dated the 23rd instant from the Deputy Commissioner and President, District Committee, Kolar, together with the plan and the estimate amounting to Rs.375 for the construction of a building for the Taluk Panchama School, Bagepalli, and to state that it is necessary to provide a Government building under the circumstances mentioned in the above. The plan has been cheaply prepared to suit the local conditions. I request that Government may be pleased to sanction the estimate in the interests of the backward classes, the cost being met from the allotment of one lakh of rupees sanctioned from State Funds as a grant to the Village School Fund Budget during the current official year.

I have the honour to be,
Sir,
Your most obedient servant,

M. Shama Rao,
Inspector General.

TNR.

Letter No.464 dated 23rd September 1915 from the Deputy Commissioner and President, Kolar District Committee, Kolar, to the Inspector General of Education in Mysore.

I have the honour to state that the Panchama School at Bagepalli is at present held in a thatched house and it is reported that this building is in a dilapidated condition and is unfit for the purpose of a school. The Amildar, in submitting an estimate for Rs.690/- stated that the Panchamas of Bagepalli are not in a position to contribute anything towards the construction of a school house as they are all living on coolie and in very poor circumstances, and recommended that the building may be provided for by the Government. However, the estimate was returned for some revision and the same was reduced to Rs.375.

2. In forwarding herewith the estimate and the plan received from the Amildar, I invite your favourable consideration to the fact that the Institution being Government and situated in Taluk Head Quarters, a building is absolutely necessary, that the Municipality is very poor and cannot afford to pay anything, besides the people are also not in affluent circumstances, and request you therefore to be so good as to sanction the estimate as a special case, in the interests of the backward classes.
